Dear Parents/Guardians:

Second semester is already flying by! We are grateful for the partnership we have with you in support of your student(s). In continuing this strong partnership, we would love to have you attend our Parent/Teacher Conferences evening on Wednesday February 27th from 4:00-8:00pm.

We have begun the process of planning and preparing for next school year. Students are engaged in the process of registering for classes and should keep in mind their ICAP (graduation plan) as they make their choices. We recently held our 8th Grade Information Night to share our academic, athletic, and activity programs with prospective families. We are very excited to welcome another fantastic group of 9th graders into our Bear Family this August.

As new Bears prepare to enter the halls of Bear Creek, we will be celebrating another wonderful group of seniors that have started their final semester with us. These seniors should be working closely with their counselors and parents to ensure that they remain on track for graduation in May. Should a student fail to earn the required core credits for graduation, they will need to arrange make-up credit through on-line, night school, summer school, and/or correspondence courses. Bear Creek has many intervention structures to support students should they find themselves in need of help. Reaching the goal of graduation is a coordinated effort between home and school and your involvement is greatly respected and appreciated!

We are excited to continue developing the culture and climate at Bear Creek High School. This past week we were able to host our Breaking Down the Walls program. Breaking Down the Walls for High School students is a program designed to unify, empower, and engage every student to create a positive and supportive campus culture. We were able to engage over 300 students in this amazing opportunity. We would like to thank our Bear Creek High School PTSA for their generous support of the program. Their donation helped make this program a reality.

The Colorado Department of Education (CDE) recently released their School Performance Framework (SPF) for the 2017-18 school year. I am proud to announce that Bear Creek High School earned a “Performance” ranking once again. You may view the report at this link: https://cedar2.cde.state.co.us/documents/SPF2018/1420-0664-1-Year-Official.pdf

Congrats to students, families, and staff for all of their hard work!!

Sincerely,

Mr. Lynn Torr
Principal

NEWS AND EVENTS

2018-2019 YEARBOOKS

The last day to reserve a 2018-2019 Yearbook is Monday, April 29, 2019, by 3:00 p.m. To be guaranteed a yearbook, you must reserve one by this date.

Reserve one today in the financial office for $70.00. You don’t want to miss out!

SENIOR FIELD STUDIES

This semester 28 seniors have enrolled in the semester long Senior Field Studies course. They will participate in many field trips in the metro area and are preparing for a two-week backpacking trip in the Sonoran Desert of Arizona that will take place later this month. There will also be urban and community service field studies. After spring break they will live with a Colorado farm family for seven days in April, and will end the semester with a weeklong white water rafting trip on the Green River through Desolation Canyon in Utah in May. This is a 6 period/day course that offers three school credits. Students looking for a memorable final semester should contact Steve Porentas at (303) 982-9147.

COURSE SELECTION FOR 2019-2020

Students will begin the registration process for 2019-20 in February. When the date comes to turn in the registration materials, they should have entered their course requests on their registration sheet. They will receive instructions on how to do this.

The timeline will be as follows:

February 5th – Registration materials distributed to 9th, 10th, and 11th grade students in Connections.

February 12th-15th – All 9th through 11th grade students will have a scheduled time to turn in registration materials to the counselors and enter their requests.

PARENT/TEACHER CONFERENCES

Parent/Teacher Conferences will be held on February 27th, from 4:00-8:00 p.m.

PARENTS OF GRADUATING SENIORS

Please print a copy of your student’s immunization record from Parent Portal, before graduation, as your student will need a copy to enroll in college.

COLORADO DEPARTMENT OF EDUCATION (CDE) SCHOOL PERFORMANCE FRAMEWORKS

State Accreditation is the Colorado Department of Education's annual accreditation assessment report for school districts. The accreditation process is a comprehensive system which reviews many performance indicators in school districts, including academic achievement and growth for students in reading, writing, math, and science.

CDE’s District Performance Framework (“DPF”) and School Performance Framework (“SPF”) reports provide information about the levels of attainment in each of the four key performance indicators:
- Academic Achievement
- Academic Longitudinal Growth
- Postsecondary Workforce Readiness (high school only).

For districts, the overall evaluation leads to their accreditation.

For schools, the overall evaluation leads to the type of plan schools will implement.

DISTRICT ACCREDITATION AND SCHOOL PLAN CATEGORIES

The District Performance Framework (DPF) assigns to each district one of five accreditation categories:

1) Accredited with Distinction: The district meets or exceeds statewide attainment on the performance indicators and is required to adopt and implement a Performance Plan.
2) Accredited: The district meets statewide attainment on the performance indicators and is required to adopt and implement a Performance Plan.
3) Accredited with Improvement Plan: The district is required to adopt and implement an Improvement Plan.
4) Accredited with Priority Improvement Plan: The district is required to adopt and implement a Priority Improvement Plan.
5) Accredited with Turnaround Plan: The district is required to adopt and implement a Turnaround Plan.

Jeffco Schools is Accredited and is assigned a Performance Plan.

The School Performance Framework (SPF) assigns to each school one of four plan types:

1) Performance Plan: The school meets or exceeds statewide attainment on the performance indicators and is required to adopt and implement a Performance Plan.
2) Improvement Plan: The school is required to adopt and implement an Improvement Plan.
3) Priority Improvement Plan: The school is required to adopt and implement a Priority Improvement Plan.
4) Turnaround Plan: The school is required to adopt and implement a Turnaround Plan.

The SPF for Bear Creek High School assigns our school a Performance Plan.

For additional information on accreditation, please contact Lynn Torr, Principal, Bear Creek High School. Additional information is available at www.cde.state.co.us/schoolview.
2017-2018 DISTRICT ANNUAL REPORT AVAILABLE

Each year, state and federal law requires school districts to publish an annual report to provide parents and the community with information about performance. Jeffco’s document talks about student achievement, how the taxpayer’s money is spent for education and highlights of the year's activities. The federal “No Child Left Behind” law and the Colorado Department of Education specify that certain information must be included in the annual report, such as assessment and accountability data, and information about the qualification of the district’s teachers. In addition, Jeffco Public Schools Strategic Planning and Advisory Council, a citizens advisory group, also provides details about its activities for the year.

A copy of the 2017-2018 Jeffco Public Schools Annual Report to the Community can be obtained at any school or viewed online at: http://www.jeffcopublicschools.org/about/publications/annual_reports.

The Colorado Department of Education also provides information for parents about school performance online at: http://www.schoolview.org.

UPDATE SCHOOL CONTACT INFORMATION

During registration this school year, parents completed contact information for their students in Jeffco Connect, the school district’s online student information system. The contact information allows the school to contact parents, guardians and care-givers about emergencies and other important school-related issues. Parents should now log on to Jeffco Connect to review this information and make any necessary updates so the school will have up-to-date contact information. Parents can log on to Jeffco Connect at: http://www.jeffcopublicschools.org/jeffco_connect/index.html.

Parents should also ensure that the school can contact them through School Messenger, the emergency contact system. Please log on to School Messenger and review the account settings to ensure that the message settings have not been blocked. Log on at: http://www.jeffcopublicschools.org/schoolmessenger/index.html.

BEAR CREEK HIGH SCHOOL’S POLICY REGARDING VAPE DEVICES AND VAPING

At Bear Creek High School, using or possessing any and all vaping devices on school grounds (inside or outside the building) is a violation of school and district policy and they should NOT be brought to school for any reason. The penalty for violating this policy includes confiscation of the vaping device and/or any associated paraphernalia; it may also include suspension and/or referral to law enforcement. Once a vaping device or associated paraphernalia are confiscated, they will not be returned for any reason.

Should a student be assigned in-school suspension, we require them to take a digital class that provides important health-safety information regarding nicotine and vaping. This course acts as a resource to further examine short and long term consequences of continued use. Additionally, students are also referred to a Tobacco Cessation support group.
Attention Parents! We need your help!

For many years, Bear Creek High School has been able to support an After Prom event following Prom to create an environment where students can continue to celebrate this milestone safely. In more recent years, we have seen a massive decline in attendance and support of the program for various reasons ranging from cost to interest to parent support. This fall we put out and widely promoted a survey to all students regarding interest and feedback for After Prom and we only received 53 responses, total.

Of these responses, only 44 students mentioned they had any interest in attending After Prom this year, and a large majority of responses indicated that they would prefer the event NOT be held at the high school. While many of these students indicated that they attended After Prom last year, a great many of them also indicated that they stayed no more than an hour or so.

In light of all this information, we are at a bit of a crossroads with After Prom as a whole. While it is certainly a positive endeavor (many of us experienced it in our own way when we were in school), we have mixed feelings about the amount of time, coordination, and cost it takes to execute After Prom relative to the number of kids that attend and how long they stay. All things considered, if we have a very low turnout for After Prom this coming spring, we may consider discontinuing After Prom in the future.

With regards to this year, however, we are attempting to push forward with After Prom (likely at an external venue). That being said, we need the help of parents to make it happen. While the program is supported by BCHS, it is entirely planned and run by parents and WE NEED VOLUNTEERS or it is at risk of not happening. If you are interested in being the coordinator this year or you would be interested in volunteering, please email Jose Martinez at joamarti@jeffco.k12.co.us or call him at 303-982-8776 so we can begin the process ASAP, as prom is only a few months away. Thank you for your consideration.
April 2019 Testing Days Schedule

Below is the information for the testing days for April 9th – 18th. We want to strongly encourage parents/guardians not to schedule appointments on these days if it is a testing day for their student. **Weather** – If it rains, we get wet. Please come prepared with an umbrella. The weather would have to be very severe in order for us to move the ceremony to the gym. If this occurs, please check the Bear Creek website for updates.
5 Minutes to a Healthier Home

Think again! You can do these steps in 5 minutes.

Test your smoke alarm.
Using smoke alarms in your home cuts your risk of dying in a fire in half.

Wash your hands with warm, soapy water for at least 20 seconds (about the time it takes to sing the song “Happy Birthday” twice).

Each year, about 48 million Americans get sick from eating contaminated or improperly prepared foods.

Make your home smoke free. Never let anyone smoke anywhere in or near your home.

Program the number for poison control into your cell phone: 1-800-222-1222.
Everyday in the United States, over 300 children ages 0 to 13 are treated in emergency departments for poisonings.

Do a 3-minute “clean sweep.” Pick one small area of your home—like your junk drawer or stairs—and take 3 minutes to sort the items and get rid of what you don’t need.
Clutter can collect dust, mold, and other allergens and gives pests a place to hide. If clutter is left on the floor or stairs, it can cause you to trip and fall.

Check your locks
Make sure locks function correctly and can be operated by a child in an emergency.

SHOULD I TALK TO MY KIDS ABOUT vaping?

ARE YOUR KIDS SCHOOL-AGE?

yes

It's likely they already know more about vaping than you do, so it's time to catch up.

no

They're younger. You may be able to wait a few years, but the tobacco industry will be targeting them with marketing and candy flavored e-cigarettes soon.

DO THEY ALREADY VAPE OR HAVE FRIENDS THAT DO?

no

Good! They are steering clear of nicotine addiction, which is great for their brain. The human brain is still developing until age 25, which means it's easier to become addicted. Exposure to nicotine at this age can cause problems in learning, memory and attention.

yes

Teens are more likely to become addicted to other tobacco products if they vape.

60% of high school e-cig users also use some other type of tobacco

DO THEY ALREADY SEE THE HEALTH IMPACTS OF VAPE?

no

That's not surprising. Since e-cigarettes have only been on the U.S. market since 2007 we're not sure what the long-term health impacts of heating and inhaling the chemicals in e-liquids will be.

yes

In the short-term, vaping can cause throat irritation and worsen respiratory conditions like asthma and bronchitis. Lithium battery explosions are also a risk and can cause burns.

TALK TO THEM!

There is a lot of misinformation about vaping and it's important young people know that it poses a serious health risk and youth are being targeted in order to make a profit.

Visit our website at www.panm.org and learn how to talk to your children with free resources at e-cigarettes.surgeongeneral.gov
FEBRUARY HEALTH CORNER

> Parents of Graduating Seniors <

Print a copy of your student's immunization record from Parent Portal BEFORE graduation. Your student will need a copy to enroll in college.

> Medication Reminders <

The health room does NOT provide any medication unless it is provided by parents for their own students. Additionally, the district medication agreement must accompany ANY over-the-counter (like couch drops) or prescription medication to be kept in the health room. EVEN medications students self-carry need med agreements.

> Colorado Teen Vaping <

The most recent Youth Risk Behavior Survey from the Centers for Disease Control and Prevention (CDC) shows that Colorado leads the nation in the youth use of vapor products, known as vape or e-cigarettes.

The infographic above is from the Healthy Kids Colorado Survey 2017. This survey of 56,000 Colorado teens showed that 44% of our teens have tried e-cigarettes. Even more overwhelming, it revealed that 27% of students use vape devices regularly. More information at https://www.colorado.gov/cdphe/hkcs.

Individual Career and Academic Plan (ICAP):

All students at Bear Creek High School update their Individual Career and Academic Plan (ICAP) in each grade level. Students complete tasks related to their developmental level through the Naviance tool, available from the Bear Creek website https://connection.naviance.com/family-connection/auth/login/?hsid=bearcreek (username = student ID #, password = 8 digit birthdate).

At this time, all of our Bear Creek students and grade levels have been provided with an opportunity to complete their ICAP. Ask your student to show you some of their work and what they have learned about planning for their future.

ICAP tasks include:
- exploring career interests
- making career plans
- reviewing graduation requirements
- setting goals
- searching for scholarships
- investigating colleges
- selecting high school course plans

Seniors, Freshmen and Sophomores completed ICAP in the fall, Juniors completed ICAP in January

SENIOR INFORMATION:
- Spring break is a great time to visit the top colleges you are considering. Be sure to reserve a time through the colleges’ website.
