Dear Parents and Guardians,

It is hard to believe that first semester is already drawing to a close. We have had a great school year thus far and we are excited to carry that momentum into second semester. While the holiday season is an exciting and joyous time of year for many, stress and anxiety tend to peak around this time of year. Students are balancing the pressures of life and school and this intensifies as final exams approach. Please know that we have many adults that can be a resource for students as they work through this difficult time of year. Please feel free to reach out to your student’s counselor if you are concerned about your son or daughter.

I continue to be impressed with the hard work and commitment many of our students have shown throughout the fall. I have had the privilege of watching our students compete and perform in a variety of academic, athletic, and musical settings. We are blessed to have such amazing talent at Bear Creek High School. I would like to thank our parents and community members that have shown up to support our students and programs. If you have not taken the opportunity to attend a school event, please consider doing so. It means a great deal to our students when they see the bleachers full or the auditorium packed for their performances.

Our school is committed to ensuring that your experience with our school is collaborative, successful and helps your child(ren) learn and grow. We want to know how we are doing. Below is a link to complete a survey about family school partnerships. The survey is anonymous and will only take 10 – 15 minutes. Results will be used to improve our school and your child(ren)’s learning environment. The survey opens Monday, Nov. 26 and closes Friday, Dec. 14. Thank you for taking the time to give us feedback! If the link below does not work, highlight the link using your cursor. Then copy and paste the link into your browser address window and hit the “Enter” or “Return” key on your keyboard. Survey Link: www.tinyurl.com/JeffcoFamilySurvey2018

Please also consider completing the school start time survey (open until December 10th) to share your views on a potential later start time for secondary schools in Jeffco. Survey Link: https://www.surveymonkey.com/r/Z7FDH23

We are now only three weeks from the end of the semester. This is a key point in time for students and parents to once again check their progress in each of their courses through Parent Portal. We are quickly approaching final exams and diligent work leading up to the end of the semester will lead to higher levels of success. The BCHS staff stands ready to support your student’s progress through Connections,
Access, tutor rooms, individual teacher support, counselors, and after school tutoring/support in the library on Tuesday and Thursday afternoons. Please encourage your students to take advantage of these many support options. Although our seniors have heard this message repeatedly, it is particularly important to note that to participate in our graduation ceremony this coming spring they must have completed all 23 required credits. There will be no exceptions to this school board policy. If you, or your student, are concerned that they may be at risk of not walking it is important to contact your counselor as soon as possible regarding the credit recovery process.

I would like to personally wish you and your family a restful and safe holiday season!

Sincerely,

Lynn Torr
Principal
SNOW CLOSURES

With the winter months come the possibility of school closures and schedule changes. The decision to change school schedules because of adverse conditions is based on one factor; the safety of all students and staff. Here are answers to some of the most commonly asked questions about emergency school closures.

When are decisions made about school closures?

The District makes every effort to decide and announce decisions to close schools before 6:00 a.m. The planning and review process actually begins the night before. Once a decision is made, a message will be sent to Jeffco families via SchoolMessenger and local media will be notified. The district’s telephone hotline at (303) 982-6600, and the school system http://www.jeffcopublicschools.org/services/security/emergency_notifications are also updated. There is a link to this information from the district’s home page.

What factors go into the decision?

Weather and road conditions are checked throughout Jefferson County beginning the night before. Using a variety of resources the School District gathers as much information as possible before making the decision. District officials monitor ongoing weather reports, including those from a private weather forecasting service, and road conditions from the Colorado Department of Transportation, and local and state law enforcement agencies. “Weather spotters,” such as school bus drivers and transportation personnel who are arriving at area bus terminals, and maintenance crew members who are assigned to plow school parking lots and sidewalks are consulted. Classes cannot be held if parking lots and access areas to schools are dangerous or impassible. District transportation officials will provide a recommendation before 5 a.m. to the Community Superintendent responsible for making the final decision after a thorough review of all available data collected. If classes are to be cancelled or delayed, the district’s Communications Services office will notify local media - television and radio - between 5:00 and 6:00 a.m. or earlier when possible.

What parents should do:

- All families should make advanced arrangements for their children in case of school closures and for the rare situation when it is necessary to close an individual school because of circumstances.

- Children should know where to go if a parent will not be home and how to contact parents or guardians.

- Parent contact information, including work telephone numbers, should be kept up-to-date with the school, and parents should activate a SchoolMessenger account to receive emergency messages. If you are instructed to pick up your student at a location other than their school due to a school closure, you will be asked to present photo ID before the student will be released.

- In cold weather students should be dressed appropriately. No one can predict when a fire alarm might go off or when buildings might have to be evacuated due to an emergency.

- Listen and watch the news media, particularly local TV stations, for this message: “All Jeffco Public Schools are closed”

- Unless otherwise announced, school weather related closures are for one day only.

- If there is NO announcement schools will operate as usual. Check with individual schools or event sponsors regarding the cancellation of events and activities. Many of these announcements are also available through the media.

**ATTENDANCE MATTERS**

Being at school every day and on time is just one of the good habits we’re trying to cultivate in students to prepare them for a successful world beyond Bear Creek High School. The importance of regular attendance can’t be overemphasized, yet we know that from time to time students will be absent from classes. When this happens, we ask that a parent call our 24-hour attendance line at (303) 982-8813 to report an absence to give the following information:

- Your student’s first and last name and grade level.
- Day and periods of absence. For example, periods one through three or the time, from 9-10 a.m.
- Your name, first and last, and a daytime telephone number where you can be reached.
- Reason for absence which might be any district approved reason such as doctor/dentist appointment, illness, legal responsibility, family emergency, religious holiday or a prearranged, school-approved absence (form available in the front office).
- All absences need to be called in within 24 hours of the absence(s). After 24 hours, the absence(s) can only be excused with administrative approval. After 15 days of the absence(s), the parent, student and administrator will have to meet in order to discuss and excuse the absence.

**NOS IMPORTA LA ATENDENCIA**

Asistencia regular y a tiempo es solo una de las costumbres buenas queremos cultivar en alumnos para prepararles para una vida exitosa fuera del ambiente de la Escuela Preparatoria Bear Creek. No se puede enfatizar bastante la importancia de asistencia regular, sin embargo sabemos que de vez en cuando alumnuo van a estar ausentes. Cuando ocurra, pedimos que los padres llamen a nuestra línea de asistencia de 24 horas a (303) 982-8813 para reportar una ausencia dejando la siguiente información:

- Nombre y apellido y nivel de su alumno.
- Día y periodo de ausencia. Por ejemplo, periodos uno a tres, o de las 9-10 a.m.
- Nombre y apellido del padre, y un número de teléfono del día con que podemos alcanzarle.
- Razon de ausencia la cual puede ser cualquier razon aprobada por el distrito como cita con un médico/dentista, enfermedad, responsabilidad legal, emergencia familiar, festival religiosa, o una ausencia pre-arreglada por un administrator (forma disponible en la oficina principal).
- Todas las ausencias deberán ser justificadas dentro de un periodo de 24 horas. Después de 24 horas, la o las ausencias, solo podrán ser justificadas con la aprobación de un administrador. Después de 15 días de la o las ausencias, el padre o madre, el estudiante, y el administrador tendrán que reunirse para hablar y justificar dichas ausencias.

**PARENT REMINDER**

It can be very disruptive to both teachers and students when the class needs to be interrupted to get a message to a student. We realize that family emergencies and unexpected appointments occur. However, it would be greatly appreciated if you could communicate with your student the night before or in the morning about any appointments or schedule changes that may have occurred. Thank you.

In addition, students and parents both need to be aware that effectively immediately, items that are not SCHOOL RELATED, such as balloons, flowers, and foods such as cakes and cupcakes WILL NOT be delivered to classrooms. If these items are delivered to the school, they will be left in the Main Office and students or parents can pick them up after school.

**PERSONAL ELECTRONICS REMINDER**

Please encourage your son or daughter to leave valuable electronic devices at home, unless necessary for class. Cellular and Smart Phones are not allowed in academic areas during instructional time, and become targets for theft when left unattended. Bear Creek High School is not responsible for items lost or stolen from lockers.” Administrators will not make electronic theft investigations a priority, unless there is compelling evidence that will lead to a speedy resolution. These investigations are very time consuming, seldom fruitful, and take our administrative staff out of their roles as instructional leaders in our school.

The best way to ensure that your student’s valuables are not stolen is to have them leave these items at home. If your student is using a locker to secure anything valuable that is brought to school, please remind him or her to spin the combination dial on the lock after closing the locker door. Thank you for discussing this very important issue with your student, and for allowing the BCHS Administrative Team to focus on the educational advancement of our students.

SCHEDULE CHANGE POLICY
As we enter registration season, please understand that Bear Creek High School builds your class schedule according to the request form. Schedule changes will be made until January 12th for the following reasons only:

1. Student is scheduled into the wrong level of class.
2. Student did not pass the prerequisite for a class.
3. Student has two classes in the same period.
4. Student does not have enough classes on his/her schedule.
   - 9th and 10th grade must have all 7 periods (1-7) filled
   - 11th and 12th graders must have at least 5 periods filled.

If a student requests a schedule change for another reason, the student must complete an appeal form. The appeal will only be made if the student can be placed in a class that is smaller than the one in which he/she is currently enrolled. The appeal form must be completed and signed by both the parent and the student, and the counselor. The form is due in the counselor’s office by January 12th, 2018, at 3:00 p.m.

Letters were sent home before Thanksgiving break providing notice of failing grades. Remember that parents can access student’s attendance and grade information via Infinite Campus Portal: https://campus.jeffco.k12.co.us/campus/portal/Jeffco_IC.jsp If you need help signing on to the portal, please contact Tami Danks, registrar, at 303-982-8728 or tami.danks@jeffco.k12.co.us. Please contact your counselor to access holiday resources prior to leaving for break.

SENIORS AND THE COLLEGE APPLICATION PROCESS

- Ideally, by Thanksgiving Break, submit your application(s) and supplemental information. Work with your counselor to submit transcripts, letters of recommendation (if needed), etc.

- Use Naviance to sign up for visits with college reps and add colleges to your “colleges I am applying to” list so transcripts can be sent to those schools. Remember your username is your student ID (not your email, just your ID) and your password is your birthdate (MMDDYYYY).

- Between Thanksgiving and Winter Break, focus on studying and doing well on your finals.

- If you would like to re-take the ACT (actstudent.org) or SAT (collegeboard.org), register now.

- The FAFSA opened on October 1 this year. Complete the FAFSA as soon as possible at http://www.fafsa.ed.gov/. The student and guardian need to apply for a Federal Student Aid ID (FSA ID) and use 2017 taxes to complete the FAFSA. See your counselor if you have questions.

- If you still need to complete your FAFSA, attend the Bear Creek FAFSA workshop during spring Parent-Teacher Conferences on February 27, 2019 from 6-7pm. Bring your FSA ID and tax information so the college representatives can best assist you with completing the FAFSA.

- Start applying or continue applying for scholarships. https://docs.google.com/spreadsheets/d/1mUlgq6p1ro0YXXPhlsNONIaASPIYYJbDFqe6okQkSliE/pubhtml Also check the colleges’ financial aid pages for available scholarships. Some of those deadlines could be approaching soon.

Suicide is the 3rd leading cause of death in teens and young adults ages 15 to 24. If a teen says something like “I’d just be better off dead” or “I won’t be around much anymore,” it is critical to take the comment seriously. Seek professional help immediately. Safe 2 Tell and Colorado Crisis Services are two recommended resources. See our BCHS homepage for more information/resources: http://bearcreekhs.jeffcopublicschools.org/counseling/crisis_support

OUTDOOR LAB OPPORTUNITY

Are your 10th-12th grade students interested in being an Outdoor Lab leader? See Mrs. Slaughter in the counseling office for more information!
Bear Creek Students prepare for their futures through the Individual Career and Academic Plan (ICAP). ICAP is a multi-year process that intentionally guides students and families in the exploration of career, academic and post-secondary opportunities. With the support of adults, students develop the awareness, knowledge, attitudes, and skills to create their own meaningful and powerful pathways to be career and college ready. Tasks are framed around the questions: Who am I?, What are my options?, and What do I need to do now? Students perform recommended tasks by grade level:

Dear Families:

Make Your Voice Heard (MYVH) is a student survey that Jeffco Public Schools administer to students in grades 2 through 12. MYVH has been given to Jeffco students for over a decade. MYVH is administered every other year to all Jeffco Schools students, but is available for schools to administer every year. MYVH is a survey designed to promote engagement in school, improves the school learning environment, and combats problems such as bullying. Bear Creek High School will be giving students the survey between January 9th and February 8th, 2019.

Content. MYVH gathers information on three key areas of engagement: social/emotional, behavioral, and cognitive. Engagement in school is critical to academic performance and interest in continued education.

Jeffco Public Schools is interested in discovering students’ opinions of the: nature and quality of teacher feedback, rigor of classes, level of comfort and belonging at school, quality of their relationships with other students and staff, family support for learning, technology, healthy eating, and student interest areas. MYVH has the same survey questions for all schools; schools do not add their own questions. You may review a paper copy of the survey items in the school’s main office or request an electronic copy by contacting your principal.

The results are compiled into aggregate level MYVH reports. These reports are used by district leaders and school staff to help maintain the positive aspects of our schools and to address individual student needs.

It is Voluntary. Your child does not have to take the survey. Students who participate only have to answer the questions they want to answer and they may stop taking it at any time.

It is Confidential. No students will be identified in any public reports or publications. The results will be made available for analysis only under strict confidentiality controls. Individual student data may be shared with school staff to provide instructional or school engagement supports.

Administration. The survey will be administered between January 9th and February 8th, 2019. It will take about 30 minutes.

If you do not want your child to participate, you may contact your school principal.
Estimado familias:

Haz que tu opinión cuente (MYVH por su sigla en inglés) es una encuesta para los estudiantes de las Escuelas Públicas de Jeffco que se administra a los alumnos entre el 2° y el 12° grado. MYVH se ha administrado a los estudiantes de las escuelas de Jeffco durante más de un decenio. La encuesta se administra cada dos años a todos los/las estudiantes de las Escuelas de Jeffco, pero está disponible para que las escuelas la administren anualmente. MYVH es una encuesta diseñada para promover la participación en la escuela, mejorar los ambientes escolares, y hacer frente a problemas como la intimidación. Bear Creek High School administrará la encuesta a los estudiantes entre el 9 de enero y el 8 de febrero de 2019.

Contenido. La encuesta MYVH recopila información sobre tres áreas claves de la motivación y la participación: el área social/emocional, el comportamiento y el área cognitiva. La motivación y la participación en la escuela son críticas para el rendimiento académico y el interés en continuar los estudios.

Las Escuelas Públicas de Jeffco están interesadas en saber las opiniones de los estudiantes referentes a lo siguiente: la naturaleza y calidad de los docentes, el rigor de las clases, el nivel de satisfacción y el sentido de formar parte de la escuela, la calidad de sus relaciones con otros estudiantes y el personal, el apoyo que la familia les ofrece en la educación, los almuerzos escolares, y las actividades y deportes disponibles en las escuelas. La encuesta MYVH contiene las mismas preguntas para todas las escuelas; estas no añaden sus propias preguntas. Puede revisar una copia en papel de los puntos de la encuesta en la oficina de la escuela o bien solicitar una copia electrónica a la dirección de su escuela.

Los resultados de la encuesta se recopilan en informes de MYVH por niveles agregados. Estos informes serán usados por los equipos de liderazgo del distrito y el personal de cada escuela a fin de mantener los aspectos positivos de nuestras escuelas y hacer frente a las inquietudes.

Es voluntaria. Sus hijos no tienen la obligación de participar en la encuesta. Los estudiantes que participen solo tendrán que contestar a las preguntas que deseen y pueden dejar de contestar en cualquier momento que quieran hacerlo.

Es confidencial. Ningún estudiante será identificado en ninguno de los informes o publicaciones. Los resultados estarán disponibles para análisis solo bajo controles estrictos de la confidencialidad. Es posible que se comparta la información referente a estudiantes individuales con el personal escolar a fin de proveer asistencia con la instrucción y la participación escolar.

Administración. La encuesta se administrará entre el 9 de enero y el 8 de febrero de 2019. Llevará unos 30 minutos.

Si no desea que su hijo o hija participen en la administración de la encuesta, puede comunicarse con la dirección de su escuela.
Уважаемый семьи,

"Поделись своим мнением" (MYVH) это опрос учащихся Государственных школ Джеффко в классах с 2 по 12. Опрос MYVH проводится среди учащихся Джеффко уже более десяти лет. Все учащиеся школ Джеффко принимают в нем участие один раз в два года, но школы могут проводить его и каждый год. Цель опроса MYVH в том, чтобы содействовать активному участию в школьной жизни, улучшать образовательную среду и бороться с такими проблемами, как хулиганство (bullying). В школе Bear Creek High School опрос будет проходить с 9 января по 8 февраля 2019 года.

Содержание. Опрос MYVH собирает информацию по трем ключевым вопросам школьной жизни: социально/эмоциональный, поведенческий и когнитивный. Участие в школьной жизни имеет решающее значение для успеваемости и заинтересованности в продолжении образования.

Государственные школы Джеффко заинтересованны в услышать мнение учащихся о: природе и качестве педагогического воздействия, требованиях школьной программы, уровне комфорта в школе, качестве отношений с другими учащимися и сотрудниками, поддержке семьи в образовании, школьных обедах и школьных и спортивных мероприятиях. Опрос MYVH содержит одинаковые вопросы для всех школ; школы не добавляют свои собственные вопросы. Ознакомиться с бумажным вариантом опроса можно в главном офисе вашей школы. Для получения электронной копии, свяжитесь с вашим директором.
